LUMBER.-We are informed by gentleanother freshet.

docks and warehouses for the East Saginaw Salt Manufacturing Company are being delivered. The brick, kettles, &c., necessary for the erection of blocks are on the way to this place, and the workmen will soon be engaged in putting Hotels. them up. The pumping has been discontinued, the stockholders being completely satisfied with the amount and quality of brine. It is understood that this Company will commence another and much larger well at once.

Our Ciry .- There is a deal of bustle and a vast amount of business going on. Houses, stores, &c., are rapidly going up in all directions, and the demand for them increases much faster than they can be built. A mammoth Foundry & Machine Shop is to be creeted within the next 60 days, by Mr. Woon, formerly of Flint, near the Rail Road Depet.

MARINE. - The Propeller Eagle, Capt. Correct, made her second appearance in this port on Tuesday last, from Detroit, with a heavy load of merchandise, &c. Capt. C. reports the Lake and Bay clear of ice. Did not go to Thunder Bay, as he was informed by the Mackinac Mail Carrier that Thunder Bay River was frozen over solid, so that ox teams could

THE BRIG STARLIGHT .- This beautiful vessel, one of the finest specimens of to none affeat on the lakes, left this port on Tuesday with a cargo of lumber for the Chicago market. She is commanded by that efficient and popular Captain, Mets, which is a sufficient guaranty of a safe and speedy passage.

WHITE-FISH. - We are supplied daily by the steam and fishboats with any quantity of the largest, finest, fattest, most delicious white-fish, fresh from the words of Mrs. Partington, " to make an Epicac's month water."

The East Saginaw Salt Manufacturing Company have determined to contract, in addition to two blocks of kettles for boiling, twenty covers for solar evaporation. This is for the purpose, merely, oration. This is for the purpose, merely, of proving the quality of solar salt from this brine, and if satisfactory results fol low, the number of covers will be largely increased another season.

ADMITTED .- In the U. S. Circuit Court on Saturday, on motion of Hon. J. M. Howard, Archibald Stevenson, Esq., of Bay City, was admitted as an Attorney at Law, Solicitor in Chancery, and Proctor in Admiralty.

The Black Republicans are to rule in our sister city of Saginaw for another year. We are informed that on Monday last the election in that city resulted in the choice of all the Republican nominees, but in a democratic gain over last year of about one hundred.

Some progress is now being made upon the road from the Junction, by way of Habinger's mill, to Farrandville. Subscriptions amounting to several hundred dollars have been given by German citizens to be expended in perfecting the road, so soon as the weather will permit.

John D. Puck.—Door Sir.— In offering my testimony in favor of your WISTARS HALSAN OF WILD CHERRY, I speak from my own experience, having received signal benefit from the use of one or two bottles which wore larged upon me by my apothecary, who backed up his recommendation by giving some extraordinary receives, from its use, as having come within his knowledge. I had taken a violent cold, followed by a deep seared coupt, which frequently produced vorniting, with pain in the side. I breathed with difficulty, had night sweats, lost my appetite; in short, I was completely prostrated. My physician prescribed for me, but I found no relief. I commenced taking the Balsam in small doses at first, and almost immediately began to improve. My completabled, my strength and appetitic returned, and in a few weeks I was able to attend to my bushness as issuit. I feel indebted to Wistal's Balsam for my recovery, and cheerfully give you leave to make whatever me you please of this statement. Very respectfully, yours, &c.

The foregoing statement of Assets and Liabilities of the "Phurkix" is presented to the carreful persual and scratiny of our patrons and the public generally feeding confident it cannot fail to impress upon the minds of all, the entire reliability, solvency, and healthy condition the Company is in.

The "Phurkix" was incorporated by the Legislature of Connecticut, under a "perpetual charter," with a Cash Capital of Two Hundred Thousand Dollars. Since its organization the Company have been doing a large, and, on the whole, a properous business, throughout the several States of the Union; and the manner in which the affairs of the Company have been managed, has inspired unusual confidence in the minds of the public towards the "Phurkix," so that our Policies are readily sought after. How can be dealings, liberal and satisfactory all strangents, and prompt cash payments of all car besses, are principles in the transaction of car affairs; and we mend so to administer our business in the future, as not only to gain, but retein, the good will, esteem, and patronage of the racible.

Rates of PREZICES are as low as undoubled security and prompt indemnity to patrons will warrant.
